<a href="#">260100</a>	Witicha	KS	11	A	5				Several Circular Objects Surrounded Plane
260900	Salt Lake City (near)	UT	11						11:00 PM. An air mail pilot was repeatedly buzzed by a long, cylindrical object. Each time the object came within about 50 yards, the aircraft engine would begin to sputter and misfire, until the pilot was forced to make an emergency landing in a pasture.
420325	Zuider Zee	Holland	11						An RAF bomber returning from a raid on Essen, Germany, was followed by a luminous orange disc or sphere. As it came closer the tail gunner opened fire on it, to no apparent effect. Finally it sped away at an estimated 1,000 m.p.h. (Ref. 3; Flying Saucer Review, March-April 1962.)
430405	Long Beach	CA	11						Flight instructor and student pilot saw a glowing orange disc dive at their aircraft and hover alongside, then accelerate and climb away out of sight. (Ref. 3; Witness report to Jan Aldrich, Project 1947.)
<a href="#">431014</a>	Schweinfurt	Germany	11						During a bombing run a B-17 crews of the 384th Group noticed, as fighter attacks suddenly fell off, they encountered a cluster of small discs, described as 3" wide by 1" thick. (Martin Caiden/Andy Roberts)
<a href="#">431024</a>	Schweinfurt	Germany	11	A	5				Discs Put Up Protective Shield Around B-17 Formation ???
440129	Location Unknown	Unknown	11						Red ball; yellow/red flames followed aircraft through evasive action. (Page 56 Ref.1)
440200	Bass Strait	AU	11						At 2:30 a.m. a bomber crew at 4,500 feet altitude saw a dark shape pull alongside the plane and pace it at a distance of about 100 feet for about 18-20 minutes. (Ref. 3; Bill Chalker, The Oz Files, 1996, pp. 35-36.)
440300	Carlsbad	NM	11						Air Force pilot saw fast-moving UFO speed out of sight over horizon. [NICAP UFO Evidence, 1964, Hall, III]
440600	Adriatic Sea	At Sea	11						At 11:00 a.m. a flight of three P-38 fighters at 33,000 feet saw above them, at an estimated altitude of 50,000 feet, a silver disc. The object descended to about 40,000 feet and paced the fighters for 3 minutes, then accelerated and sped away. (Ref. 3; Jan Aldrich, Project ACUFOE, from CUFOS report form.)
440810	Unknown City	Sumatra	11						Sighting of maneuvering UFO which paced B-29 (Reida case) during mission. [NICAP UFO Evidence, 1964, Hall, III]
440810-11	Palembang	Sumatra	11						Reida Case (M) Reddish orange balls, about the size of a baseball; spherical object, probably 5 or 6 feet in diameter, of a very bright and intense red or orange in color. (Page 71-74 Ref.1)
441100	Unknown City	France	11						415th Night Fighter Squadron pilot saw formation of round objects. [NICAP UFO Evidence, 1964, Hall, III]
441200	Austria	Austria	11						B-17 pilot (William D. Leet) and crew, on a lone wolf mission, were followed by an amber-colored disc. [NICAP UFO Evidence, 1964, Hall, III]
441226-27	Unknown City	Germany	11						Multiple sightings: red balls of fire; two yellow streaks of flame & disappeared from view; the crew thought they felt prop wash; a group of lights that made distinct lines, somewhat like arrows; row of vertical white lights. (Page 103,131 Ref.1)
450100	Unknown City	Germany	11						Another 415th Night Fighter Squadron pilot was followed by three red and white lighted objects over Germany. [NICAP UFO Evidence, 1964, Hall, III]
450101-02	Strasbourg (north of)	France	11						Foo fighters. (Page 131 Ref.1)

450110	Iwo Jima	Japan	11					An amber light pass parallel and at same altitude. (Page 125 Ref.1)
450200	Chemnitz	Germany	11					Flying wing, giving off a yellowish-red intermittent glow. (Page 149 Ref.1)
450213-14	Rastatt and Bishwiller bt.	Germany	11					Two sets of lights; separated after being attacked and then returned to original position. (Page 136 Ref.1)
450215-16	Viareggio	Italy	11					Alleged jet; multiple spurts of flame; no radar return. (Page 136 Ref.1)
450216	La Spezia	Italy	11					Possible jet: dropped what looked like white flares; no radar contact. (Page 136-137 Ref.1)
450217	Po Valley (Central)	Italy	11					Observed two very bright lights appear directly in front of aircraft; fired upon without result. (Page 137 Ref.1)
450217	Massa and Po Valley (Central)	Italy	11					Red ball of fire that did not appear to be Jet A/C. (Page 137 Ref.1)
450217-18	La Spezia	Italy	11					Multiple sightings:(1) blinking light; (2) reddish white light going off and on in spurts, faded out during chase; (3) light, a glow alternating between weak and bright was chased several times, never caught. (Page 138-139 Ref.1)
450221	Piacenza	Italy	11					Two large red balls of fire; hovering. (Page 140 Ref.1)
450227	Bologna	Italy	11					Chased three lights in shape of triangle observed; no radar contact. (Page 141-142 Ref.1)
450309	North Fresian Islands	Germany	11					Three lights; had the appearance of white flares dropped in air; called foo fighters. (Page 145-146 Ref.1)
450313	Bologna	Italy	11					Two sightings: (1) 100 hundred balls of orange fire; (2) two balls of foo fire. (Page 147 Ref.1)
450318	Florence	Italy	11					Chased light, no radar contact, then light disappeared. (Page 148 Ref.1)
450319-20	Speyer	Germany	11					Saw 2 Foo fighters; one orange and one greenballl. (Page 148 Ref.1)
450323	Bergamo/Ghedi	Italy	11					2 balls of foo fire. (Page 150 Ref.1)
450403	Kawasaki	Japan	11					The records of the 20th Air Force reveal that as early as this date, flying from the Marianas on a night incendiary mission, some crews reported "Balls of Fire followed our aircraft."
450403-04	Honshu	Japan	11					Multiple balls of fire sightings: size of basketball; streamer of light behind the ball of fire; ball of fire emitting a steady phosphorescent glow; wing in connection with ball of fire &; amber colored searchlight; stream of fire emanating from object, twelve inches in diameter, followed through evasive action. (Page 157-158 Ref.1)
<a href="#">450502</a>	Fala Island	Truk Atoll	11					Two airborne objects & red circles of light
450525	Atlantic Ocean	At Sea	11					In early morning on a sunny day with intermittent clouds, a B-17 bomber was en route from Morocco to Dakar, Senegal. A silvery disc or ellipse was observed opposite the sun position, estimated to be 5 to 10 miles distant. The object paced the aircraft, hovering at times. (Ref. 3; Harley D. Rutledge, Project Identification, 1981, p. 251.)
<a href="#">450525-26</a>	Tokyo	Japan	11					Fireball follows a B-29 of the 39th Bombardment Group for 50 miles
450619	Unknown City	Japan	11					B-29 followed by strong white light. (Page 180 Ref.1)
<a href="#">450704</a>	Yokohama (near)	Japan	11					"After coming away from our bomb drop, we saw the UFO's. I especially recall seeing two groups of them in single file. One group of six were lower than we were and coming towards us from the front, their heading taking them off to or left. The other group was more distant and headed in the opposite direction, but were at about our level.
450707	Sasebo	Japan	11					Foo fighter; a big ball of fuzzy orange-red light; B-29 fired on object, appearing to hit with no affect. (Page 186 Ref.1)

450712	Honshu	Japan	11					Light Phenomenon.Spotted enemy aircraft apparently trailed by large orange light traveling with it at same speed. (Page 186-187 Ref.1)
460801	Unknown City	FL	11					Observation of cigar-shaped UFO by Air Corps transport pilot. [NICAP UFO Evidence, 1964, Hall, III]

660623	Placitas	NM	11					3:42 a.m. MDT. Julian Sandoval, a NASA contract flight engineer, also an experienced pilot and navigator, and two independent witnesses saw a glowing elongated object with blunt end. It had a series of four body lights varying from brilliant green to a bluish tinge, and was hovering at an estimated 12,000 feet. When the object moved, its glow brightened and it appeared to be a powered craft (luminosity/motion correlation). The witness watched the object for an hour and a half, after which it climbed vertically, accelerated to a high velocity and disappeared to the northeast in about 12 seconds. In a report to NICAP, Sandoval estimated the departure speed at "Mach 6 or better." (Christian Science Monitor, July 11, 1966; I. P.O. Investigator, Vol. III, No. 9, Aug.-Sept. 1966, p. 3.)

670311	Taranaki (off coast of)	NZ	11						10:20 p.m. LT. A pilot, copilot, and hostess of an airliner flying at 17,000 feet saw a cluster of 10-12 soft-glowing, amber-colored lights approach their aircraft at a lower altitude, passing below and out of sight. (Witness reports in NICAP files; U.F.O. Investigator, Vol. IV, No. 3, Nov.-Dec. 1967, p. 1; Weinstein, 1999, p. 35.)
670314	Southeast Asia	Asia	11						Daytime. A U.S. Air Force flight surgeon aboard and the pilot and crew of a KC-135 flying at 15,000 feet observed a vertically inclined, huge, black metallic cylinder an estimated 2 miles from the plane. (Jacksonville Daily News, Arkansas, 3/27/69, copy in NICAP files; phone conversation with surgeon's wife 5/12/69, notes in : NICAP files.)
670324	Atlantic Ocean	in air space	11						2134Z (4:34 p.m. EST). An Irish Airlines flight crew saw an object that was as bright as Venus, but that also was being tracked on ground radar. (Weinstein, 1999, p. 35.)
670400	Tortuguero, Islagrande	PR	11						11:15 a.m. A flight instructor and student in a U.S. Navy Cessna aircraft saw a flat oval object, which appeared to be a metallic dull white in color, that followed the aircraft. (Weinstein, 1999, p. 35.)
670406	Edmonton, Alberta	CAN	11						Object paced airliner (radar)
670417	Saigon, Vo Than	Viet Nam	11						Time not given. Five white oval objects, oriented vertically, moved across the sky in 5 seconds, periodically passing behind small scattered clouds. Five minutes later jet aircraft at high altitude flew in the same direction as the objects. (Haines, 1994, pp. 88-89; Smith 1997, UNICAT #371).
670418	Point Pleasant	WV	11						8:00 p.m. EST. A pilot and ground observers reported an anomalous "light-bearing object." The pilot attempted to close in on the object and flashed his landing lights, but there was no response and the object disappeared. (West Virginia Register, 4/1/67,(??) copy in NICAP files.)
670418	Athens	OH	11						At 8:05 p.m. About 40 miles north of Point Pleasant, a Ph.D. professor at Ohio University, who is also a private pilot, and four others saw an unidentified light source that alternated between yellow and pink as it moved over a wide arc of sky at moderate speed. It was observed for 10 minutes. (NICAP report form.)
670428	Shelley	ID	11						9:35 p.m. MDT (11:35 p.m. EDT). A private pilot and his family saw a flattened ellipse with a superstructure and a large orange light. (Ricks-Carter report dated 5/24/67, NICAP files; U.F.O. Investigator, Vol. IV, No. 1, May-June 1967, p. 3)
<a href="#">670513</a>	Colorado Springs	CA	11						At 1640 MDT, at the Colorado Springs airport an object was picked up on radar. During this time a Braniff flight was coming in for a landing on runway 35. The track of the object behaved like a ghost echo, perhaps a ground return being reflected from the Braniff aircraft.
