Welcome old and New friends of the F-4 Phantom Pages!

This site is dedicated to an aircraft that by now is 45 years in active service! The F-4 Phantom 2, made its first flight in 1958, and is still active in service with at least 5 Nations,(Japan, Germany, Korea, Greece and Turkey). 5057 various types have been built, and its production lasted for 20 years. This site presents you a full history of its development, as well a few hundred photos.

Updates:

Jan 14, 2004, Turkish AF F-4 page added
